**MEMORANDUM & ORDER**  
**Motions to Consolidate and Appoint**  
**Lead Plaintiff, Lead Counsel and**  
**Liaison Counsel**

10 Three shareholder derivative suits have been filed by shareholders of Power Integrations, Inc.  
11 ("Power Integrations") against various directors and officers of Power Integrations. The first suit  
12 was filed by plaintiff Kimberly Quaco, the second by plaintiff Kathryn Champlin, and the third by  
13 plaintiff Christopher Deboskey. The three suits have been previously coordinated before this court.  
14 All three plaintiffs have moved to consolidate the three cases and appoint lead plaintiff and lead  
15 counsel. On November 6, 2006, a hearing was held on the motions to consolidate and appoint lead  
16 plaintiff and lead counsel. At that hearing, counsel for the three plaintiffs were ordered to submit a  
17 declaration of each named plaintiff within fifteen days of the hearing, as the court had inadequate  
18 information to determine which plaintiff was most suitable to be appointed lead plaintiff. These  
19 declarations were due on November 21, 2006. In accordance with the court's ruling at the  
20 December 18, 2006 case management conference, it rules as follows.

21 As no declaration has been timely filed by plaintiff Deboskey, the court is left knowing next  
22 to nothing about his suitability as a plaintiff. As of November 21, 2006 no declaration was received  
23 from plaintiff Deboskey. No declaration was received from plaintiff Champlin, and on November  
24 30, 2006, she withdrew her motion to be appointed lead plaintiff. A signed declaration was timely  
25 received from plaintiff Quaco, describing her relationship with her counsel, her holdings of Power  
26 Integrations stock, and her interest in this lawsuit.  
27  
28

1 In her declaration plaintiff Quaco admits to owning "a modest amount of Power stock": two  
2 shares. Quaco Dec. ¶ 4. This limited interest is insufficient for appointment of a lead plaintiff.  
3 However, Quaco has submitted an additional declaration of another shareholder, Geoffrey Wren,  
4 who currently owns 1,642 Power shares and has held an ownership interest in Power since 1998.  
5 Wren Dec. ¶ 4. Based on his declaration, Wren appears to be a suitable lead plaintiff.  
6 Accordingly, the court grants Quaco leave to substitute Wren as a plaintiff and simultaneously  
7 grants Quaco's motion for appointment of Wren as lead plaintiff. The court also appoints Schiffren  
8 and Barroway, who represent both Quaco and Wren, as lead counsel.

9 Plaintiff Quaco's motion to consolidate the three cases is GRANTED. The court GRANTS  
10 plaintiff Quaco leave to add Wren as lead plaintiff, and accordingly, and plaintiff Quaco's motion to  
11 appoint lead plaintiff and lead counsel is GRANTED IN PART. Plaintiff Deboskey's motion to  
12 consolidate is GRANTED and plaintiff Deboskey's motion to appoint lead plaintiff and lead counsel  
13 is DENIED.

14  
15 IT IS SO ORDERED.

Case No.: 5:08-cv-01133-MHP

**AMENDED VERIFIED  
SHAREHOLDER DERIVATIVE  
COMPLAINT**

**AMENDED VERIFIED SHAREHOLDER DERIVATIVE COMPLAINT**

Plaintiff, by the undersigned attorneys, submits this Amended Verified Shareholder  
Derivative Complaint (the "Complaint") against the defendants named herein.

**NATURE OF THE ACTION**

1  
2 1. This is a shareholder derivative action brought for the benefit of nominal defendant  
3 VeriFone Holdings, Inc. ("VeriFone" or the "Company") against certain current and former  
4 members of its Board of Directors (the "Board") and certain of its current and former executive  
5 officers seeking to remedy Defendants' breaches of fiduciary duties and unjust enrichment.

6 2. Indeed, on April 2, 2008, the Company filed with the SEC a Form 8-K in which the  
7 Company admitted that VeriFone did not maintain effective internal control over financial  
8 reporting. The lack of internal controls will require the Company to restate downward its operating  
9 income for the three months periods ended January 31, 2007, April 30, 2007, and July 31, 2007 by  
10 an aggregate amount of \$36.9 million, and its reported inventories for the same periods by more  
11 than \$77 million.

12 3. In contravention of their fiduciary duties, the defendants failed to ensure the  
13 effectiveness of the Company's internal controls. As admitted by VeriFone, despite these known  
14 failures, Defendants caused the Company to disseminate to the public false and misleading  
15 statements that materially overstated VeriFone's financial results by failing to properly value  
16 inventory and cost of net revenue. In further violation of their fiduciary duties, certain Defendants,  
17 based on their knowledge of material non-public information regarding the Company, sold  
18 8,879,613 shares of VeriFone stock, garnering over *\$332 million* in proceeds for their own  
19 personal benefit.

20 **JURISDICTION AND VENUE**

21 4. This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1332(a)(2) in  
22 that Plaintiff and Defendants are citizens of different states and the matter in controversy exceeds  
23 \$75,000, exclusive of interest and costs. This Court has supplemental jurisdiction over the state  
24 law claims asserted herein pursuant to 28 U.S.C. § 1367(a). This action is not a collusive one to  
25 confer jurisdiction on a court of the United States which it would not otherwise have.

26 5. Venue is proper in this District because a substantial portion of the transactions and  
27 wrongs complained of herein, including the Defendants' primary participation in the wrongful acts  
28 detailed herein, occurred in this District. One or more of the Defendants either resides in or

1 maintains executive offices in this District, and Defendants have received substantial compensation  
2 in this District by engaging in numerous activities and conducting business here, which had an  
3 effect in this District.

4 **PARTIES**

5 6. Plaintiff Arunbhai Patel ("Plaintiff") is a shareholder of nominal defendant  
6 VeriFone, was a shareholder of VeriFone at the time of the wrongdoing alleged herein, and has  
7 been a shareholder of VeriFone continuously since that time. Plaintiff is a citizen of the State of  
8 Ohio.

9 7. Nominal defendant VeriFone is a corporation incorporated under the laws of the  
10 State of Delaware, and maintains its principal executive offices at 2099 Gateway Place Suite 600,  
11 San Jose, CA 95110. According to its public filings, VeriFone provides expertise, solutions, and  
12 services that add value to the point of sale with merchant-operated, consumer-facing, and self-  
13 service payment systems for the financial, retail, hospitality, petroleum, government, and  
14 healthcare vertical markets.

15 8. Defendant Douglas G. Bergeron ("Bergeron") served as Chief Executive Officer  
16 ("CEO") and Chairman of the Board ("Chairman") of VeriFone from July 2001 until April 2, 2008  
17 when the Company announced that it will separate the roles of Chairman and CEO. Accordingly,  
18 Bergeron will no longer serve as Chairman. At times relevant hereto, Bergeron sold more than 1.4  
19 million shares of VeriFone common stock for proceeds in excess of \$56.5 million based upon the  
20 knowledge that the Company had materially overstated its inventory levels and materially  
21 understated its cost of net revenues, thereby materially overstating its net income. Notably,  
22 defendant Bergeron sold 43,300 shares of VeriFone common stock for proceeds in excess of \$1.9  
23 million on November 26, 2007, only 8 calendar days before the Company announced on December  
24 3, 2007 that it would be restating its financial results for the first three fiscal quarters of fiscal 2007,  
25 and delaying the release of its financial results for the fiscal quarter ended October 31, 2007. Prior  
26 to assuming his roles as Chairman and CEO of VeriFone, Bergeron served as the President and  
27 CEO of Geac Computer Corporation ("Geac") from April 1999 to October 2000 alongside  
28 defendant Adams, who served as a division president and Senior Vice President of Geac from July

1 1999 through December 2000. Upon information and belief, Bergeron is a citizen of the State of  
2 California.

3 9. Defendant Jesse Adams ("Adams") is, and was at all times relevant hereto, the Vice  
4 Chairman of the Board ("Vice Chairman") of VeriFone. Adams has served as the Vice Chairman  
5 of VeriFone since November 2006. Prior to serving as VeriFone's Vice Chairman, Adams served  
6 as the Company's Executive Vice President ("EVP") of North American Sales from July 2001 until  
7 October 2006. At times relevant hereto, Adams sold more than 129,000 shares of VeriFone stock  
8 for proceeds in excess of \$4.6 million based upon the knowledge that the Company had materially  
9 overstated its inventory levels and materially understated its cost of net revenues, thereby  
10 materially overstating its net income. Prior to beginning his service at VeriFone, Adams served as  
11 a division president and Senior Vice President of Geac from July 1999 through December 2000  
12 alongside defendant Bergeron, who served as the President and CEO of Geac from April 1999 to  
13 October 2000. Upon information and belief, Adams is a citizen of the State of California.

14 10. Defendant Isaac Angel ("Angel") is, and was at all times relevant hereto,  
15 VeriFone's EVP of Global Operations. Angel has served as the Company's EVP of Global  
16 Operations since November 2006. At times relevant hereto, Angel sold approximately 135,000  
17 shares of VeriFone stock for proceeds of nearly \$5.2 million based upon the knowledge that the  
18 Company had materially overstated its inventory levels and materially understated its cost of net  
19 revenues, thereby materially overstating its net income. Upon information and belief, Angel is a  
20 citizen of Israel.

21 11. Defendant William Atkinson ("Atkinson") was at times relevant hereto VeriFone's  
22 EVP of Payment Systems. Atkinson served as the Company's EVP of Payment Systems from  
23 November 2006 to July 2007, and served the Company in other capacities prior to this position. At  
24 times relevant hereto, Atkinson sold approximately 117,000 shares of VeriFone stock for proceeds  
25 in excess of \$4.4 million based upon the knowledge that the Company had materially overstated its  
26 inventory levels and materially understated its cost of net revenues, thereby materially overstating  
27 its net income. Upon information and belief, Atkinson is a citizen of the State of California.

28

1           12. Defendant Craig A. Bondy ("Bondy") was at times relevant hereto a director of  
2 VeriFone. Bondy served as a director of VeriFone from July 2002 until his resignation on October  
3 1, 2007. During the relevant period, defendants Bondy and Roche were affiliated with GTCR  
4 Golder Rauner, L.L.C. ("GTCR"). At times relevant hereto, Bondy, through GTCR, sold  
5 approximately 6.8 million shares of VeriFone stock for proceeds in excess of \$251 million based  
6 upon the knowledge that the Company had materially overstated its inventory levels and materially  
7 understated its cost of net revenues, thereby materially overstating its net income. Upon  
8 information and belief, Bondy is a citizen of the State of Illinois.

9           13. Defendant James C. Castle ("Castle") is, and was at all times relevant hereto, a  
10 director of VeriFone. Castle has served as a director of VeriFone since January 2005. At all times  
11 relevant hereto, Castle served as a member of the Audit Committee of the Board ("Audit  
12 Committee"). At times relevant hereto, Castle sold approximately 4,500 shares of VeriFone stock  
13 for proceeds in excess of \$176,000 based upon the knowledge that the Company had materially  
14 overstated its inventory levels and materially understated its cost of net revenues, thereby  
15 materially overstating its net income. Upon information and belief, Castle is a citizen of the State  
16 of California.

17           14. Defendant Leslie G. Denend ("Denend") is, and was at all times relevant hereto, a  
18 director of VeriFone. Denend has served as a director of VeriFone since January 2005. At all  
19 times relevant hereto, Denend served as a member of the Audit Committee and the Compensation  
20 Committee of the Board (the "Compensation Committee"). Upon information and belief, Denend  
21 is a citizen of the State of California.

22           15. Defendant Alex W. Hart ("Hart") is, and was at all times relevant hereto, a director  
23 of VeriFone. Hart has served as a director of VeriFone since July 2006. Upon information and  
24 belief, Hart is a citizen of the State of California.

25           16. Defendant Robert B. Henske ("Henske") is, and was at all times relevant hereto, a  
26 director of VeriFone. Henske has served as a director of VeriFone since January 2005. At all  
27 times relevant hereto, Henske has served as a member and chairman of the Audit Committee, and  
28

1 as a member of the Compensation Committee. Upon information and belief, Henske is a citizen of  
2 the State of California.

3 17. Defendant Charles R. Rinehart ("Rinehart") is, and was at all times relevant hereto,  
4 a director of VeriFone. Rinehart has served as a director of VeriFone since May 2006. On April 2,  
5 2008, the Company announced that Rinehart would serve as the Company's new non-executive  
6 Chairman. At all times relevant hereto, Rinehart has served as a member of the Audit Committee.  
7 Upon information and belief, Rinehart is a citizen of the State of California.

8 18. Defendant Collin E. Roche ("Roche") is, and was at all times relevant hereto, a  
9 director of VeriFone. Roche has served as a director of VeriFone since July 2002. At all times  
10 relevant hereto, Roche has served as a member of the Compensation Committee. During the  
11 relevant period, defendants Roche and Bondy were affiliated with GTCR. At times relevant  
12 hereto, Roche, through GTCR, sold approximately 6.8 million shares of VeriFone stock for  
13 proceeds in excess of \$251 million based upon the knowledge that the Company had materially  
14 overstated its inventory levels and materially understated its cost of net revenues, thereby  
15 materially overstating its net income. Upon information and belief, Roche is a citizen of the State  
16 of Illinois.

17 19. Defendant Elmore Waller ("Waller") is, and was at all times relevant hereto,  
18 VeriFone's EVP of Integrated Solutions. Waller has served as the Company's EVP of Integrated  
19 Solutions since December 2004. At times relevant hereto, Waller sold approximately 90,000  
20 shares of VeriFone stock for proceeds in excess of \$3.5 million based upon the knowledge that the  
21 Company had materially overstated its inventory levels and materially understated its cost of net  
22 revenues, thereby materially overstating its net income. Upon information and belief, Waller is a  
23 citizen of the State of Florida.

24 20. Defendant Barry Zwarenstein ("Zwarenstein") was at all times relevant hereto,  
25 VeriFone's EVP and Chief Financial Officer ("CFO"). Zwarenstein served as the Company's CFO  
26 since June 2004, and as EVP since November 2006. Previously, Zwarenstein served the Company  
27 in various other capacities. At times relevant hereto, Zwarenstein sold more than 161,000 shares of  
28 VeriFone stock for proceeds in excess of \$6.2 million based upon the knowledge that the Company

1 had materially overstated its inventory levels and materially understated its cost of net revenues,  
2 thereby materially overstating its net income. Upon information and belief, Zwarenstein is a  
3 citizen of the State of California. On April 1, 2008, in connection with the Company's admission  
4 that VeriFone did not maintain effective internal control over financial reporting for the three  
5 months periods ending January 31, 2007, April 30, 2007, and July 31, 2007, defendant Zwarenstein  
6 resigned from his position as VeriFone's CFO.

7 21. Collectively, defendants Castle, Denend, Henske, and Rinehart may be referred to  
8 herein as the "Audit Committee Defendants." Collectively, defendants Denend, Henske, and  
9 Roche may be referred to herein as the "Compensation Committee Defendants." Collectively,  
10 defendants Bergeron, Bondy, Castle, Denend, Hart, Henske, Rinehart, and Roche may be referred  
11 to herein as the "Director Defendants." Collectively, defendants Adams, Angel, Atkinson,  
12 Bergeron, Waller, and Zwarenstein may be referred to herein as the "Officer Defendants."  
13 Together, the Director Defendants and Officer Defendants may be referred to herein as the  
14 "Individual Defendants," and together with VeriFone, "Defendants."

15 **DUTIES OF THE INDIVIDUAL DEFENDANTS**

16 22. By reason of their positions as officers and/or directors of the Company and because  
17 of their ability to control the business and corporate affairs of the Company, the Individual  
18 Defendants owed the Company and its shareholders the fiduciary obligations of good faith, trust,  
19 loyalty, and due care, and were and are required to use their utmost ability to control and manage  
20 the Company in a fair, just, honest, and equitable manner. The Individual Defendants were and are  
21 required to act in furtherance of the best interests of the Company and its shareholders so as to  
22 benefit all shareholders equally and not in furtherance of their personal interest or benefit. Each  
23 director and officer of the Company owes to the Company and its shareholders the fiduciary duty  
24 to exercise good faith and diligence in the administration of the affairs of the Company and in the  
25 use and preservation of its property and assets, and the highest obligations of fair dealing.

26 23. To discharge their duties, the officers and directors of the Company were required to  
27 exercise reasonable and prudent supervision over the management, policies, practices and controls  
28

1 of the Company. By virtue of such duties, the officers and directors of the Company were required  
2 to, among other things:

- 3 a. Exercise good faith to ensure that the affairs of the Company were  
4 conducted in an efficient, business-like manner so as to make it possible to  
provide the highest quality performance of its business;
- 5 b. Exercise good faith to ensure that the Company was operated in a diligent,  
6 honest and prudent manner and complied with the Company's by-laws and  
all applicable federal and state laws, rules, regulations and requirements,  
7 including acting only within the scope of its legal authority;
- 8 c. Exercise good faith to ensure that the Company's financial statements were  
prepared in accordance with Generally Accepted Accounting Principles  
9 ("GAAP");
- 10 d. Exercise good faith in supervising the preparation and filing of all financial  
statements and other financial information required by law, including  
11 periodic financial statements and reports filed with the Securities and  
Exchange Commission ("SEC"), and in examining and evaluating the  
12 financial statements and other information concerning the financial affairs of  
the Company;
- 13 e. When placed on notice of improper or imprudent conduct by the Company  
and/or its employees, exercise good faith in taking action to correct the  
14 misconduct and prevent its recurrence; and
- 15 f. Act in furtherance of the best interests of the Company and its shareholders  
so as to benefit all shareholders equally and not in furtherance of their  
16 personal interest or benefit.

17 24. The Individual Defendants, particularly the Audit Committee Defendants Castle,  
18 Denend, Henske, and Rinehart, were responsible for maintaining and establishing adequate internal  
19 accounting controls for the Company and to ensure that the Company's financial statements were  
20 based on accurate financial information. According to GAAP and SEC rules, to accomplish the  
21 objectives of accurately recording, processing, summarizing, and reporting financial data, a  
22 corporation must establish an internal accounting control structure. Among other things, the  
23 Individual Defendants were required to:

- 24 a. Make and keep books, records, and accounts, which, in reasonable detail,  
accurately and fairly reflect the transactions and dispositions of the assets of  
25 the issuer; and
- 26 b. Devise and maintain a system of internal accounting controls sufficient to  
provide reasonable assurances that –  
27 i. transactions are executed in accordance with management's general  
28 or specific authorization; and

- 1                   ii. transactions are recorded as necessary to permit preparation of  
2                   financial statements in conformity with [GAAP].

3           25. VeriFone's Audit Committee Charter provides that the Audit Committee shall,  
4           among other things:

- 5                   a. meet to review and discuss the quarterly financial statements, including  
6                   reviewing the Company's specific disclosures under "Management's  
7                   Discussion and Analysis of Financial Condition and Results of Operations,"  
8                   with management and the independent auditors prior to the filing of the  
9                   Company's Quarterly Report on Form 10-Q. Also, the Committee shall  
10                  discuss the results of the quarterly review and any other matters required to  
11                  be communicated to the Committee by the independent auditors under  
12                  generally accepted auditing standards;
- 13                  b. review and discuss the type and presentation of information to be included in  
14                  earnings press releases, as well as financial information and earnings  
15                  guidance provided to analysts and rating agencies; and
- 16                  c. discuss with management, the internal auditors, and the independent auditors  
17                  the adequacy and effectiveness of internal control over financial reporting,  
18                  including any significant deficiencies or material weaknesses identified by  
19                  management of the Company in connection with its required quarterly  
20                  certifications under Section 302 of the Sarbanes-Oxley Act which are  
21                  reasonably likely to adversely affect the Company's ability to record,  
22                  process, summarize and report financial information and as to the existence  
23                  of any fraud, whether or not material, that involves management or other  
24                  employees who have a significant role in the Company's internal control  
25                  over financial reporting. In addition, the Committee shall discuss with  
26                  management, the internal auditors, and the independent auditors any  
27                  significant changes in internal control over financial reporting that are  
28                  disclosed, or considered for disclosures, in the Company's periodic filings  
                    with the SEC.

26. According to the Audit Committee Charter:

The Committee's review of the Company's financial statements and disclosures shall include: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the company's selection or application of accounting principles, and major issues as to the adequacy of the company's internal controls and any specific remedial actions adopted in light of material control deficiencies; (ii) discussions with management and the independent auditors regarding significant financial reporting issues and judgments made in connection with the preparation of the financial statements and the reasonableness of those judgments, including analyses of the effects of alternative GAAP methods on the financial statements; (iii) consideration of the effect of regulatory accounting initiatives, as well as off-balance sheet structures on the financial statements; (iv) consideration of the judgment of both management and the independent auditors about the quality, not just the acceptability of accounting principles; and (v) the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under professional standards.

- a. Reviewing and approving corporate goals and objectives relevant to the compensation of VeriFone's Chief Executive Officer ("CEO"), evaluating the CEO's performance in light of those goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determining and approving the CEO's compensation level based on this evaluation;
- b. Making recommendations to the Board with respect to non-CEO compensation, incentive-compensation plans and equity-based plans, including the VeriFone Bonus Plan and the 2006 Equity Incentive Plan, overseeing the activities of the individuals responsible for administering these plans, and discharging any responsibilities imposed on the Compensation Committee by any of these plans; and
- c. In consultation with management, overseeing regulatory compliance with respect to compensation matters, including overseeing VeriFone's policies on structuring compensation programs to preserve tax deductibility, and, as and when required, establishing performance goals and certifying that performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code.

### *The Company's False and Misleading Statements*

29. During this time period, the Individual Defendants knowingly caused the Company to make a series of false and misleading statements concerning the Company's financial condition, materially misrepresenting that the Company's financial condition was better than it actually was.

1 Furthermore, VeriFone, through the Individual Defendants, made a series of false and misleading  
2 statements concerning the condition of the Company's internal controls, materially misrepresenting  
3 that the Company maintained sound internal controls and was able to regulate its business in  
4 accordance with applicable laws and regulations. As a result of these materially false and  
5 misleading statements, the Individual Defendants falsely inflated the Company's stock price, even  
6 though the Individual Defendants knew that the information provided to the investing public was  
7 untruthful, and knew that their conduct was harmful to the Company.

8 30. Defendants Bergeron, Castle, Denend, Hart, Henske, Rinehart, and Roche, as a  
9 result of their access to internal VeriFone documents and reports, conversations and discussions  
10 with other officers, directors, and employees of VeriFone, and attendance at executive,  
11 management, and Board meetings, and especially defendants Castle, Denend, Henske, and  
12 Rinehart, as Audit Committee Defendants responsible for meeting with management and the  
13 Company's independent auditors to discuss the Company's quarterly financial statements, knew  
14 that the statements discussed herein were materially false and misleading at the time that they were  
15 filed with the SEC and disseminated to the investing public.

16 31. On December 18, 2006, the Company filed with the United States Securities and  
17 Exchange Commission ("SEC") its annual report on Form 10-K for the fiscal year ended October  
18 31, 2006 (the "2006 10-K").

19 32. According to the 2006 10-K, the Company reviews the adequacy of its inventories  
20 valuation on a quarterly basis:

21 The valuation of inventories requires us to determine obsolete or excess inventory  
22 and inventory that is not of saleable quality. The determination of obsolete or excess  
23 inventories requires us to estimate the future demand for our products within  
24 specific time horizons, generally twelve months to eighteen months. If our demand  
25 forecast for specific products is greater than actual demand and we fail to reduce  
26 manufacturing output accordingly, we could be required to record additional  
27 inventories write-offs, which would have a negative impact on our gross profit  
28 percentage.

26 We review the adequacy of our inventories valuation on a quarterly basis. For  
27 production inventory, our methodology involves matching our on-hand and on-order  
28 inventories with our sales estimate over the next twelve and eighteen months. We  
then evaluate the inventory found to be in excess of the twelve-month demand  
estimate and take appropriate write-downs to reflect the risk of obsolescence. For  
on-hand and on-order inventory in excess of eighteen month requirements we

1 generally record a 100% reserve. This methodology is significantly affected by our  
2 sales estimate. If actual demand were to be substantially lower than estimated,  
3 additional inventories write-downs for excess or obsolete inventories may be  
4 required.

5 33. On March 9, 2007, the Company filed with the SEC its quarterly report for the fiscal  
6 quarter ended January 31, 2007 (the "1Q07 10-Q"). In the 1Q07 10-Q, the Company stated that the  
7 Company had inventories assets valued at approximately \$130,815,000 at the end of the fiscal  
8 quarter, and that the Company had incurred costs of net revenue equal to approximately  
9 \$135,246,000 in the fiscal quarter. For the same fiscal quarter, the Company reported net income  
10 of -\$984,000, and earnings per diluted share of -\$0.01.

11 34. Also in the 1Q07 10-Q, the review of which the Audit Committee was responsible  
12 for prior to filing with the SEC, the Company stated that VeriFone's disclosure controls and  
13 procedures were effective, and that there had been no changes in the Company's internal control  
14 over financial reporting for the quarter ended January 31, 2007:

15 With the participation of our Chief Executive Officer and Chief Financial Officer,  
16 management has carried out an evaluation of the effectiveness of our disclosure  
17 controls and procedures (as defined in Rule 13a-15(e) and 15d-15(f) under the  
18 Securities Exchange Act of 1934). Based upon that evaluation, our Chief Executive  
19 Officer and Chief Financial Officer concluded that our disclosure controls and  
20 procedures were effective as of the end of the period covered by this report.

21 \* \* \*

22 There have been no other changes in our internal control over financial reporting  
23 that have materially affected, or are reasonably likely to materially affect, our  
24 internal control over financial reporting for the quarter ended January 31, 2007.

25 35. On May 31, 2007, the Company filed with the SEC its quarterly report for the fiscal  
26 quarter ended April 30, 2007 (the "2Q07 10-Q"). In the 2Q07 10-Q, the Company stated that the  
27 Company had inventories assets valued at approximately \$125,390,000 at the end of the fiscal  
28 quarter, and that the Company had incurred costs of net revenue equal to approximately  
\$127,013,000 in the fiscal quarter, and \$262,259,000 for the six months ended April 30, 2007. For  
the fiscal quarter and six months ended April 30, 2007, the Company reported net income of  
\$4,859,000 and \$3,875,000, respectively, and earnings per diluted share of \$0.06 and \$0.05,  
respectively.

36. Also in the 2Q07 10-Q, the review of which the Audit Committee was responsible for prior to filing with the SEC, the Company stated that VeriFone's disclosure controls and procedures were effective, and that there had been no changes in the Company's internal control over financial reporting for the quarter ended April 30, 2007:

\* \* \*

37. On September 7, 2007, the Company filed with the SEC its quarterly report for the fiscal quarter ended July 31, 2007 (the “3Q07 10-Q”). In the 3Q07 10-Q, the Company stated that the Company had inventories assets valued at approximately \$145,398,000 at the end of the fiscal quarter, and that the Company had incurred costs of net revenue equal to approximately \$129,934,000 in the fiscal quarter, and \$392,193,000 for the nine months ended July 31, 2007. For the fiscal quarter and nine months ended July 31, 2007, the Company reported net income of \$13,439,000 and \$17,314,000, respectively, and earnings per diluted share of \$0.16 and \$0.20, respectively.

With the participation of our Chief Executive Officer and Chief Financial Officer, management has carried out an evaluation of the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) and 15d-15(f) under the Securities Exchange Act of 1934). Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of the end of the period covered by this report.

1 No change in our internal control over financial reporting (as defined in Rule 13a-  
2 15(f) under the Securities and Exchange Act of 1934) occurred during the third  
3 quarter of our fiscal year ended July 31, 2007 that has materially affected, or is  
reasonably likely to affect, our internal control over financial reporting.

4 39. The foregoing statements were false and misleading when made because the  
5 Individual Defendants failed to disclose that the Company's net income for the first, second, and  
6 third fiscal quarters of 2007 was materially overstated because the Company materially overstated  
7 reported inventories and materially understated cost of net revenues during those quarters. The  
8 Company reported that its first, second, and third quarter reported inventories were overstated by  
9 \$7.7 million, \$16.5 million, and \$30.02 million, respectively. As a result, the Company's reported  
10 pre-tax income was overstated by \$8.9 million, \$7.0 million, and \$13.8 million for the first, second,  
11 and third quarters, respectively.

12 *The Company Admits to its False and Misleading Statements*

13 40. On December 3, 2007, the Company filed with the SEC a Form 8-K (the "8-K") in  
14 which it announced that it "will restate its previously issued unaudited interim consolidated  
15 financial statements for the three months ended January 31, 2007, the three and six months ended  
16 April 30, 2007 and the three and nine months ended July 31, 2007."

17 41. In the 8-K, the Company further disclosed that the financial statements for the  
18 quarters ended January 31, 2007, April 30, 2007, and July 31, 2007 should not be relied upon  
19 because the Company improperly and materially overstated in-transit inventory and allocation of  
20 manufacturing and distribution overhead to inventory, each of which caused the Company's costs  
21 of net revenues to be improperly and materially understated, and the Company's net income to be  
22 improperly and materially inflated. The Company further noted that it would delay the release of  
23 full financial results for the three months ended October 31, 2007 pending completion of the  
24 restatements.

25  
26 On December 2, 2007, following a review by and on the recommendation of  
27 management, the Company concluded that its unaudited interim consolidated  
28 financial statements for the three months ended January 31, 2007, the three and six  
months ended April 30, 2007 and the three and nine months ended July 31, 2007  
should no longer be relied upon, principally due to errors in accounting related to  
the valuation of in-transit inventory and allocation of manufacturing and distribution

1 overhead to inventory, each of which affects the Company's reported costs of net  
2 revenues. The restatements are anticipated to correct errors that overstated  
3 previously reported inventories in material amounts as of January 31, 2007,  
4 April 30, 2007 and July 31, 2007, and understated cost of net revenues in material  
5 amounts for the three month periods ended January 31, 2007, April 30, 2007, and  
6 July 31, 2007. Accordingly, investors are cautioned not to rely on the Company's  
7 historical financial statements and earnings press releases and similar  
8 communications for the periods ended January 31, 2007, April 30, 2007, and  
9 July 31, 2007.

10 Based on its review to date, the Company's management currently anticipates that  
11 the restatement will result in reductions to previously reported inventories of  
12 approximately \$7.7 million, \$16.5 million and \$30.2 million as of January 31, 2007,  
13 April 30, 2007 and July 31, 2007, respectively, and reductions to previously  
14 reported pre-tax income of approximately \$8.9 million, \$7.0 million and  
15 \$13.8 million for the three month periods ended January 31, 2007, April 30, 2007  
16 and July 31, 2007, respectively. The Company is currently evaluating the  
17 anticipated effect of the restatement on after-tax income for those periods.

18 These estimates include corrections of other unrelated errors detected in the course  
19 of the Company's review to date, are based on currently available information and  
20 are subject to change during the course of the Company's restatement process.  
21 While the Company is not currently aware of other accounting errors requiring  
22 adjustment to any prior period financial statements, there can be no assurances that  
23 the Company or its independent registered public accounting firm will not find  
24 additional accounting errors requiring further adjustments in those or earlier periods.

25 Also on December 2, 2007, the Company's management and the Audit Committee  
26 of its Board of Directors determined that the Company would delay the release of  
27 full fourth quarter 2007 financial results that were scheduled to be released on  
28 December 6, 2007, pending completion of the assessment of these errors and the  
restatements.

The Company concluded that a restatement of its interim unaudited financial  
statements is required as a result of an internal review of in-transit inventory  
balances conducted in preparation for the Company's fiscal 2007 audit. Upon  
completion of its assessment of these errors, the Company intends to file amended  
Quarterly Reports on Form 10-Q for the periods described above that will restate the  
previously issued financial statements included therein. The Company currently  
estimates that it will file these amended quarterly reports, together with its Annual  
Report on Form 10-K for the fiscal year ended October 31, 2007, in January 2008.  
However, the Company cannot be certain how much time will ultimately be  
required for it to complete the restatement process.

Although the Company's management is still evaluating the implications of the  
restatements described above on its internal control over financial reporting, when  
the Company files its Annual Report on Form 10-K for the year ended October 31,  
2007 and amends the previously filed quarterly reports to effect the restatements,  
management expects the Company to report one or more material weaknesses in the  
Company's internal control over financial reporting.

The Company's management and the Audit Committee have discussed the matters  
disclosed in this Current Report on Form 8-K with Ernst & Young LLP, the  
Company's independent registered public accounting firm.

42. The following table depicts the financial figures that will have to be restated, and the amount of such restatement, as a result of the Company's inadequate accounting and revenue recognition controls and procedures:

Quarter	Previously Stated Inventories <sup>1</sup>	Amount of Reduction	% of Reduction	Previously Stated Pre-Tax Income	Amount of Reduction	% of Reduction
1Q07	\$130,815	\$7,700	5.89%	\$2,867	\$8,900	310.43%
2Q07	\$125,390	\$16,500	13.16%	\$9,351	\$7,000	74.86%
3Q07	\$145,398	\$30,200	20.77%	\$24,762	\$13,800	55.73%

43. On December 31, 2007, the Company filed with the SEC a Form NT 10-K in which it announced that its financial statements for the quarters ended January 31, 2007, April 30, 2007, and July 31, 2007 should not be relied upon due to errors in accounting related to the valuation of in-transit inventory and allocation of manufacturing and distribution overhead to inventory, each of which affects the Company's costs of net revenues. Accordingly, the Company announced that it would be unable to file its Annual Report on Form 10-K for the year ended October 31, 2007 in a timely manner.

VeriFone Holdings, Inc. ("VeriFone") is unable to file its Annual Report on Form 10-K for the year ended October 31, 2007 in a timely manner without unreasonable effort and expense in light of the circumstances described below.

On December 3, 2007, VeriFone announced that following a review by and on the recommendation of management, it has concluded that its unaudited interim consolidated financial statements for the three months ended January 31, 2007, the three and six months ended April 30, 2007, and the three and nine months ended July 31, 2007, should no longer be relied upon, principally due to errors in accounting related to the valuation of in-transit inventory and allocation of manufacturing and distribution overhead to inventory, each of which affects VeriFone's reported costs of net revenues. The restatements are anticipated to correct errors that overstated previously reported inventories in material amounts as of January 31, 2007, April 30, 2007, and July 31, 2007, and understated cost of net revenues in material amounts for the three month periods ended January 31, 2007, April 30, 2007, and July 31, 2007. Accordingly, investors are cautioned not to rely on VeriFone's historical financial statements and earnings press releases and similar communications for the periods ended January 31, 2007, April 30, 2007, and July 31, 2007. These restatements are also anticipated to correct other errors that may be detected in the course of VeriFone's review.

<sup>1</sup> All dollar figures are in thousands unless otherwise stated.

1 VeriFone concluded that a restatement of its interim unaudited financial statements  
2 is required as a result of an internal review of in-transit inventory balances  
conducted in preparation for VeriFone's fiscal 2007 audit.

3 VeriFone's management and the Audit Committee of its Board of Directors have  
4 determined to delay the filing of VeriFone's Annual Report on Form 10-K for the  
fiscal year ended October 31, 2007 pending completion of the assessment of the  
5 errors and the restatements described above. Upon completion of its assessment of  
these errors, VeriFone intends to file amended Quarterly Reports on Form 10-Q for  
6 the periods described above that will restate the previously issued financial  
statements included therein, following which time VeriFone expects to complete  
and file its Annual Report on Form 10-K for the fiscal year ended October 31, 2007.  
7

8  
9 44. On April 2, 2008, the Company filed with the SEC a Form 8-K in which the  
10 Company admitted that VeriFone did not maintain effective internal control over financial  
reporting. The lack of internal control will require the Company to restate downward its operating  
11 income for the three months periods ended January 31, 2007, April 30, 2007, and July 31, 2007 by  
12 an aggregate amount of \$36.9 million. This reduction is approximately \$7.2 million more than the  
13 Company's original expectation of operating income reduction announced in December 2007. In  
14 addition, the Company announced that VeriFone will reduce previously reported inventories by  
15 more than \$77 million for the same periods, which is more than \$23 million more than the  
16 Company previously announced in December 2007. According to a press release incorporated into  
17 the Company's April 2, 2008 8-K:  
18

19 SAN JOSE, CA. — April 2, 2008 — VeriFone Holdings Inc. (NYSE: PAY) today  
20 announced that its Audit Committee has completed its independent investigation  
into certain accounting and financial control matters following VeriFone's  
21 December 3, 2007 announcement that it would restate financial statements for the  
three month periods ended January 31, 2007, April 30, 2007 and July 31, 2007.  
22 Subsequent to the December 3, 2007 announcement, VeriFone disclosed that it  
would delay filing its annual report on Form 10-K for the year ended October 31,  
23 2007 and its quarterly report on Form 10-Q for the three months ended January 31,  
2008 until the completion of the Audit Committee investigation and restatement  
24 process.

25 When completed, the restatements will correct the accounting errors that were  
26 identified by management and described in VeriFone's December 3, 2007  
announcement as well as further errors uncovered during the investigation process.  
27  
28

1 Subject to completion of the restatements and review by VeriFone's auditors, the  
2 restatements are expected to have the following effects:

- 3 • Previously reported inventories will be reduced by approximately \$13.3 million,  
\$23.9 million and \$40.6 million as compared to originally reported amounts at
- 4 • Previously reported operating income will be decreased by approximately  
\$12.5 million, \$9.8 million and \$14.7 million as compared to originally reported  
5 amounts for the three months periods ended January 31, 2007, April 30, 2007  
and July 31, 2007, principally due to higher cost of net revenues as compared to
- 6 • The aggregate decrease in operating income for the nine months ended July 31,  
2007 of approximately \$36.9 million, as determined through the Audit  
7 Committee investigation, represents an increase of approximately \$7.2 million

8  
9 These amounts remain preliminary and are subject to review by VeriFone's  
10 independent registered public accounting firm in connection with the preparation  
and review of the amended quarterly reports and the audit of the annual financial  
11 statements to be included in the annual report on Form 10-K for the year ended  
October 31, 2007.

13  
14 As a result of the issues identified by management and the Audit Committee  
independent investigation, management has concluded that VeriFone did not  
15 maintain effective internal control over financial reporting.

16 45. The Company incorporated a separate press release into the April 2, 2008 8-K in  
17 which the Company further discussed the impact of the pending financial restatement on the  
18 Company's overall financial condition, which includes a downward reduction in the Company's  
19 income for the three months periods ended January 31, 2007, April 30, 2007, and July 31, 2007:

20  
21 SAN JOSE, CA. – April 2, 2008 – VeriFone Holdings Inc. (NYSE: PAY) today  
announced selected preliminary financial information for the period ended  
22 October 31, 2007. The financial information set out below is preliminary and  
remains subject adjustment as the Company's restatement originally announced on  
23 December 3, 2007 is completed. This financial information is also subject to audit  
by VeriFone's independent registered public accounting firm.

24  
25 VeriFone expects to report revenues for the three months ended October 31, 2007,  
of \$238.9 million, consistent with its December 3, 2007 announcement of the  
26 anticipated restatement. For the full year ended October 31, 2007, VeriFone expects  
to report net revenues of \$903.9 million, also consistent with the information  
27 reported on December 3, 2007. Net revenues in the Company's fourth quarter were  
28 relatively strong in certain emerging markets, notably in Brazil, as well as in

1 Canada, the U.K. and in the U.S. multi-lane business. These strengths were offset to  
2 some extent by softness in Mexico and Venezuela.

3 During the three months ended October 31, 2007, VeriFone's gross margin  
4 percentages were adversely affected by charges for excess and obsolete inventory as  
5 well as liabilities related to purchase obligations for excess components held by  
6 contract manufacturers, in each case largely non-PCI compliant inventory and  
7 components. In addition International margins were affected by adverse mix in  
8 country and products, as well as lower service margins and several lower margin  
9 deals. VeriFone also established a reserve for claims related to an acquired product  
10 which has proven defective in the field. Including these events and charges,  
11 VeriFone expects to report gross margins, excluding non-cash acquisition related  
12 charges and stock-based compensation expense, as a percentage of net revenues, of  
13 approximately 32-34 %, for the three months ended October 31, 2007. GAAP gross  
14 margins as a percentage of net revenues for the three months ended October 31,  
15 2007, are expected to come in at approximately 28-29%, primarily as a result of the  
16 amortization of purchased technology assets.

17 46. Not only did the Company admit on April 2, 2008 that the Individual Defendants  
18 breached their fiduciary duties by failing to ensure that the Company maintained proper internal  
19 financial controls, but the Company also announced that defendant Zwarenstein, the Company's  
20 CFO, had resigned from the Company in connection with the Company's admission of guilt and  
21 VeriFone's pending financial restatement.

22 ***Individual Defendants' Stock Sales Based Upon Material Non-Public Information***

23 47. From March 9, 2007 – the day the 1Q07 10-Q was filed with the SEC – until  
24 November 30, 2007 – the last trading day of the Company's common stock before the Company  
25 announced that its prior financial statements could not be relied upon – the Company's common  
26 stock climbed from \$37.01 per share to \$48.03, an increase of more than 29%. The Company's  
27 common stock peaked in 2007 at \$49.43 per share on October 31, 2007.

28 48. This dramatic gain was caused as a direct result of the Individual Defendants'  
failure to recognize and correct the Company's internal control failures, and the deliberate  
overstatement of the Company's financial performance in the Company's Form 10-Qs.

49. In breach of both their fiduciary duty of good faith and loyalty, the Individual  
Defendants willfully ignored the obvious and pervasive problems with VeriFone's accounting and

1 internal control practices and procedures and failed to make a good faith effort to correct the  
2 problems or prevent their recurrence.

3 50. The material non-public information discussed above was well known among  
4 VeriFone insiders, including the Individual Defendants, who comprise the entire executive corps of  
5 the Company and its entire Board, and was discussed formally and informally during VeriFone  
6 Board and committee meetings, management meetings, and other meetings attended by the  
7 Individual Defendants.

8 51. In contravention of their fiduciary duties of good faith and loyalty, defendants  
9 Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein, with the  
10 knowledge that the Company's financial statements were false and materially misstated, sold more  
11 than **\$332 million worth** of Company stock in order to line their own pockets, and the pockets of  
12 their affiliates.

13 52. From March 1, 2007 until November 26, 2007, defendants Adams, Angel, Atkinson,  
14 Bergeron, Bondy, Castle, Roche, Waller and Zwarenstein, based on their knowledge of material  
15 non-public information regarding the Company, sold a total of 8,879,613 shares of VeriFone stock,  
16 garnering total proceeds of over \$332 million, as follows:<sup>2</sup>

Name	Date of First Sale	Date of Last Sale	Total Shares Sold	Proceeds <sup>3</sup>
Adams	3/1/07	9/24/07	129,478	\$4,690,583
Angel	3/13/07	11/13/07	135,000	\$5,198,721
Atkinson	3/1/07	9/26/07	117,000	\$4,457,464
Bergeron	3/15/07	11/26/07	1,441,735	\$56,523,631
Bondy	6/25/07	9/13/07	6,800,000 <sup>4</sup>	\$251,208,000
Castle	9/14/07	9/14/07	4,500	\$176,404
Roche	6/25/07	9/13/07	6,800,000	\$251,208,000

24 <sup>2</sup> Each of the stock sales conducted by defendants Adams, Angel, Atkinson, Bergeron, Bondy,  
25 Castle, Roche, Waller, and Zwarenstein are demonstrated in Exhibit A hereto.

26 <sup>3</sup> Proceeds are rounded to the nearest whole dollar.

27 <sup>4</sup> During the relevant period, Bondy and Roche were affiliated with GTCR. Bondy and Roche both  
28 used material inside information concerning the financial condition of the Company to cause  
GTCR to sell 6,800,000 shares of Company common stock for proceeds in excess of \$251 million.  
These shares and proceeds were not counted twice in calculating to total values in the table above.

<b>Name</b>	<b>Date of First Sale</b>	<b>Date of Last Sale</b>	<b>Total Shares Sold</b>	<b>Proceeds<sup>3</sup></b>
Waller	6/13/07	11/26/07	90,000	\$3,530,605
Zwarenstein	3/15/07	11/13/07	161,900	\$6,228,286
<b>TOTAL</b>	<b>3/1/07</b>	<b>11/26/07</b>	<b>8,879,613</b>	<b>\$332,013,694</b>

53. At the time that the stock sales referenced in the above paragraph were made, defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein each knew that the Company's financial statements were false and materially overstated, and that the Company's stock price was materially inflated as a result thereof.

54. The stock sales described in paragraph 52 were not part of any normal or regular pattern or practice of such sales by the Individual Defendants, but rather were unusual in that the Individual Defendants sold large amounts of VeriFone stock prior to revealing the truth about the Company's internal control problems and materially overstated financial statements.

55. Specifically, defendants Adams, Angel, Atkinson, Bergeron, Bondy, Roche, Waller, and Zwarenstein each sold significant portions of their VeriFone holdings between March 1, 2007 and November 26, 2007, as demonstrated by the following table:

<b>Name</b>	<b>Percentage of Holdings Sold</b>
Adams	72.00%
Angel	57.42%
Atkinson	45.14%
Bergeron	40.61%
Bondy & Roche (through GTCR)	41.32%
Waller	67.75%
Zwarenstein	41.54%
<b>TOTAL</b>	<b>41.85%</b>

56. Lastly, in order to present the appearance of propriety, many of the transactions in paragraph 52 above were conducted pursuant to Rule 10b5-1 Plans under the Securities Exchange Act. However, defendants Adams, Bergeron, and Zwarenstein, who conducted certain of these transactions pursuant to purportedly proper 10b5-1 Plans, entered into these plans when they were in possession of material non-public information, thereby rendering the plans invalid. Bergeron and Zwarenstein conducted their stock sales pursuant to 10b5-1 Plans that were entered into on

1 December 10, 2006, more than one month after the beginning of 1Q07, which was the subject of  
2 the first false and misleading statement, as alleged herein at paragraphs 33 and 34. Adams  
3 conducted his stock sales pursuant to a 10b5-1 Plan that was entered into on January 3, 2007,  
4 approximately two months after the beginning of 1Q07, which was the subject of the first false and  
5 misleading statement, as alleged herein at paragraphs 33 and 34.

6 **DERIVATIVE AND DEMAND EXCUSED ALLEGATIONS**

7 57. Plaintiff brings this action derivatively in the right and for the benefit of VeriFone to  
8 redress breaches of fiduciary duty and unjust enrichment of the Individual Defendants.

9 58. Plaintiff will adequately and fairly represent the interests of VeriFone and its  
10 shareholders in enforcing and prosecuting its rights.

11 59. Plaintiff is an owner of VeriFone common stock and was an owner of VeriFone  
12 common stock at all times relevant to the Individual Defendants' wrongful course of conduct  
13 alleged herein.

14 60. At the time that this action was commenced, the VeriFone Board consisted of eight  
15 directors: defendants Bergeron, Castle, Denend, Hart, Henske, Rinehart, and Roche, and non-  
16 defendant Eitan Raff.

17 61. As a result of the facts set forth herein, Plaintiff has not made any demand on the  
18 VeriFone Board to institute this action against the Individual Defendants. Such demand would be a  
19 futile and useless act with respect to the following director defendants because they are incapable  
20 of making an independent and disinterested decision to institute and vigorously prosecute this  
21 action for the following reasons:

- 22 a. Defendants Bergeron, Castle, and Roche, because all three of them face a  
23 substantial likelihood of being held liable for breaching their fiduciary duties  
24 of loyalty and good faith for engaging in illegal insider trading of VeriFone  
25 securities, as alleged herein, and therefore they are incapable of  
26 disinterestedly and independently considering a demand to commence and  
27 vigorously prosecute this action;  
28 b. Defendants Castle, Denend, Henske, and Rinehart, because each of them  
knew of the Company's ongoing improper accounting and revenue  
recognition practices, yet still permitted the Company to portray to the  
investing public the Company's false and misleading financial condition  
despite their heightened fiduciary obligations as members of the Audit

Committee, and therefore are incapable of disinterestedly and independently considering a demand to commence and vigorously prosecute this action;

- c. Defendants Bergeron, Castle, Denend, Hart, Henske, Rinehart, and Roche, because all seven of them knew of the Company's ongoing improper accounting and revenue recognition practices, and thus face a substantial likelihood of being held liable for breaching their fiduciary duties, and therefore are incapable of disinterestedly and independently considering a demand to commence and vigorously prosecute this action;
- d. Defendants Denend, Henske, and Roche, because each of them knew of the Company's ongoing improper accounting and revenue recognition practices, yet, as members of the Compensation Committee, still permitted defendants Adams, Bergeron, and Zwarenstein to enter into 10b5-1 Plans in order to present the appearance of propriety when defendants Adams, Bergeron, and Zwarenstein conducted the transactions referred to in paragraph 52 herein, and therefore are incapable of disinterestedly and independently considering a demand to commence and vigorously prosecute this action;
- e. Defendant Roche, because of his business relationship with defendant Bondy through GTCR, and because both defendant Roche and Bondy face a substantial likelihood of being held liable for breaching their fiduciary duties of loyalty and good faith for engaging in illegal insider trading of VeriFone securities, as alleged herein, and therefore Roche is incapable of disinterestedly and independently considering a demand to commence and vigorously prosecute this action;
- f. Defendant Bergeron, because, according to the Company's Proxy statement, defendant Bergeron's compensation is set by the Compensation Committee. Thus, due to the fact that defendants Denend, Henske, and Roche directly control Bergeron's compensation by virtue of their roles as members of the Compensation Committee, Bergeron is incapable of disinterestedly and independently considering a demand to commence and vigorously prosecute this action.

### COUNT I

#### **AGAINST ALL INDIVIDUAL DEFENDANTS FOR BREACH OF FIDUCIARY DUTY OF GOOD FAITH IN CONNECTION WITH IMPROPER BUSINESS PRACTICES**

62. Plaintiff incorporates by reference all preceding and subsequent paragraphs as if fully set forth herein.

63. As alleged herein, each of the Individual Defendants had a fiduciary duty to, among other things, exercise good faith to ensure that the Company was operated in a diligent, honest and prudent manner, that the Company's financial statements were prepared in accordance with GAAP, and that the Company complied with all applicable federal and state laws, rules, regulations and requirements, and, when put on notice of problems with the Company's business practices and

1 operations, exercise good faith in taking appropriate action to correct the misconduct and prevent  
2 its recurrence.

3 64. As alleged herein, and as admitted by the Company in its April 2, 2008 8-K filed  
4 with the SEC, the Individual Defendants willfully ignored the obvious and pervasive problems with  
5 VeriFone's accounting, revenue recognition, and internal control practices and procedures and  
6 failed to make a good faith effort to correct the problems or prevent their recurrence. Despite their  
7 actual knowledge of the Company's improper business practices, including, but not limited to,  
8 failing to properly value the Company's inventory and cost of net revenues, thereby materially  
9 overstating VeriFone's financial results, and failing to prepare the Company's financial statements  
10 in accordance with GAAP, the Individual Defendants failed to make a good faith effort to correct  
11 the problems or prevent their recurrence.

12 65. As a direct and proximate result of the Individual Defendants' foregoing breaches of  
13 fiduciary duties, the Company has sustained damages, including, but not limited to, the costs and  
14 expenses incurred in connection with the restatement.

15 **COUNT II**

16 **AGAINST DEFENDANTS ADAMS, ANGEL, ATKINSON,**  
17 **BERGERON, BONDY, CASTLE, ROCHE, WALLER, AND**  
18 **ZWARENSTEIN FOR BREACH OF FIDUCIARY DUTY OF LOYALTY**  
**AND GOOD FAITH IN CONNECTION WITH INSIDER STOCK SALES**

19 66. Plaintiff incorporates by reference all preceding and subsequent paragraphs as if  
20 fully set forth herein.

21 67. At the time of each of the stock sales set forth herein, each of defendants Adams,  
22 Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein knew, but did not  
23 disclose publicly, that the Company's financial results were false and misleading as a result of the  
24 Company's failure to comply with applicable accounting and revenue recognition procedures.  
25 Each of defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and  
26 Zwarenstein made each of the stock sales described herein on the basis of and because of their  
27 knowledge of the material non-public information described herein.  
28

68. At the time of their stock sales, each of defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein knew that when it was disclosed that the Company's financial results were false and misleading as a result of the Company's failure to comply with applicable accounting and revenue recognition procedures, the price of the Company's common stock would dramatically decrease. Defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein's sales of VeriFone common stock based on their knowledge of this material non-public information was a breach of their fiduciary duties of loyalty and good faith.

69. Since the use of the Company's proprietary information for their own gain constitutes a breach of defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein's fiduciary duties, the Company is entitled to the imposition of a constructive trust on any proceeds defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein obtained thereby.

### COUNT III

#### **AGAINST DEFENDANTS ADAMS, ANGEL, ATKINSON, BERGERON, BONDY, CASTLE, ROCHE, WALLER, AND ZWARENSTEIN FOR UNJUST ENRICHMENT IN CONNECTION WITH INSIDER STOCK SALES**

70. Plaintiff incorporates by reference all preceding and subsequent paragraphs as if fully set forth herein.

71. Defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein were unjustly enriched by their receipt of proceeds from their illegal sales of VeriFone common stock, as alleged herein, and it would be unconscionable to allow them to retain the benefits of their illegal conduct.

72. To remedy defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche, Waller, and Zwarenstein's unjust enrichment, the Court should order them to disgorge to the Company all proceeds derived from their illegal sales of VeriFone common stock.

WHEREFORE, Plaintiff demands judgment as follows:

- A. Against all of the Individual Defendants and in favor of the Company for the amount of damages sustained by the Company as a result of the Individual Defendants' breaches of fiduciary duties;

- 1 B. Imposing a constructive trust in favor of the Company for the amount of proceeds  
2 each of defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche,  
3 Waller, and Zwarenstein received from their sales of VeriFone common stock  
alleged herein, in addition to all proceeds otherwise derived from their service as  
directors and/or executives of the Company;
- 4 C. Ordering defendants Adams, Angel, Atkinson, Bergeron, Bondy, Castle, Roche,  
5 Waller, and Zwarenstein to disgorge to the Company all proceeds derived from their  
6 sales of VeriFone common stock alleged herein, in addition to all proceeds  
otherwise derived from their service as directors and/or executives of the Company;
- 7 D. Granting appropriate equitable relief to remedy Defendants' breach of fiduciary  
duties.
- 8 E. Awarding to Plaintiff the costs and disbursements of the action, including  
9 reasonable attorneys' fees, accountants' and experts' fees, costs, and expenses; and
- 10 F. Granting such other and further relief as the Court deems just and proper.

11 **JURY DEMAND**

12 Plaintiff demands a trial by jury.
